Margaret Montgomery Moore.

Tuesday, July 25th, Margaret Montgomery Moore, weary from long, patient suffering, passed into that quiet, peaceful rest which the Master promised to his faithful. Mrs. Moore was born in South Durham, Que., July 16, 1855, and was the daughter of Alexander and Elizabeth Montgomery. From these Scotch-Irish parents she received deep settled principles which she carried through life, and which were the foundations of absolute fidelity and veracity. When but twelve years of age to her fell the task of mothering a younger sister and three brothers, the youngest being but five months old. Two years later the father, too, passed away and the task of caring for the four children became hers. February, 1874 she married Samuel Moore and unto this union were born nine children, all of whom are living: William A., Robert, James A., of Brighton, Mass.; Edward, of Newton, Mass.; Edwin, of Island Pond; Ella J. Morris, of East Thetford; Melissa Clark, of Essex Junction; Effie M. and Lettie R., of Cambridge, Mass. Early realizing her responsibility to her country and her God, she labored with true womanly skill until she achieved an almost perfect model of a fond, self-sacrificing mother and devoted wife, deftly arranging and throwing around her family all those Christian virtues with which God and nature had so richly endowed her.

For months Mrs. Moore has been gradually failing in strength, until Tuesday afternoon "the silver cord was loosed" and she quietly accepted the invitation, "Come unto me and rest." The funeral services were held Friday afternoon at Christ church, the bearers being her five sons and Merle Clark, a son-in-law. Interment was in the new cemetery. The floral tributes were many and beautiful.

"Sleep, mother, sleep, with your hands upon your breast; Poor weary hands, they needed their rest; Well have we loved you, but God loved you best; 'Tis thy God giveth rest."
